

Announcing the Newly-Enhanced CACS Discount Shipping Program, Now Managed by PartnerShip

The CACS board is pleased to announce that, as of January 1st, 2010, the CACS discount shipping program is now being managed by PartnerShip®. PartnerShip, a logistics management company that is a subsidiary of the National Association of College Stores (NACS), delivers shipping services to small- and medium-sized businesses nationwide.

To confirm your continued participation in the CACS discount shipping program, or to enroll if you haven't done so already, **please click here to complete a simple online form to confirm your shipping information:**

For your freight shipments, PartnerShip has negotiated CACS discount levels that are the same or better than you received previously, arranged through PartnerShip Select Services®. PartnerShip Select Services is a customized freight program that features a full menu of nationally known freight carriers, no minimum shipping requirements, inbound shipping management, direct billing from PartnerShip, and dedicated account representatives—all at no additional cost to you. PartnerShip Select Services' enhanced discounts and operational efficiencies have saved many college stores an additional 10-40% on their total annual freight costs.

To enhance its value, and ensure the continuity of great service to our members, PartnerShip will open a West Coast office in Orange County in April 2010. The office will be staffed with highly experienced senior account representatives, who will be available for onsite visits to help analyze your freight needs. PartnerShip's West Coast staff will help you manage day-to-day freight operations, such as helping you choose the right carrier, contacting your vendors with routing instructions, and customizing the shipping and freight program that is right for you. If you'd like to schedule a visit, please call PartnerShip today. PartnerShip has been servicing thousands of locations in the college store industry since 1989, helping stores save millions of dollars annually. The CACS board is confident that PartnerShip will provide the highest level of service that you have come to expect from our CACS endorsed partners. If you have any questions, please don't hesitate to contact PartnerShip at 800-599-2902, or email Tina Straw at tstraw@PartnerShip.com.
